Student Signature

I give my son/daughter permission to leave the school grounds for activities such as block runs, going to the community centre and participating in local field trips within walking distance, such as bowling and skating.

Students may be asked to meet at these venues if they occur before lunch or dismissed from these venues if they are last block of the day and at that point they are not under teacher supervision.

*If you have any questions or concerns regarding the  
Lord Tweedsmuir Secondary PHE courses,  
please feel free to contact your son or daughter's teacher via email.*
